

Short Gentle Walks

Suitable for newcomers and those who feel unable to cope with either the distance or pace of the longer walks. Newcomers will be assessed as they walk and will be advised which walks in the programme will suit them most. These walks are on flat even ground. The best is that you get exercise in the fresh air, in good surroundings, meet other people in a similar situation, and feel better for it!

Optional refreshments available at the end, or possibly during the walk.

All start at **10:30am**

Grade 1	Short, slower walks for those returning to fitness. From 1 to 2 miles, 30-50 minutes, mainly on flat, firm surfaces.
Grade 2	From 2 to under 3 miles, up to 1Hr. May have slopes, soft ground and gates/stiles. Ideal for those improving their fitness.
Grade 3	Slightly longer walks usually around 3 miles but could be up to 4 miles and 1.5 hours and at a faster pace for the reasonably fit. Slopes and surfaces may be more challenging.
